### Description

#### Chilled Square Stainless Steel Food Display - SL880V

The SL880V is massive in size and provides plenty of coverage for café and bakery owners who want to present their freshest, most popular foods for the entire world to see.

Part of Bonvue's reputable collection of high-end deluxe display cases, the SL880V is the biggest, most expensive unit available in this series.

The SL880V offers an eye-catching display for your light meals including sandwiches, wraps, salads, pastries, yogurts and cakes.

The biggest within Bonvue's collection, this prized display is made for larger-scale business selling a vast range of snacks, sweets and fresh foods, and contains great interior lights, triple glazed glass, temp controls, quality compressors and fans.

Practical, reliable and a relentless worker, the SL880V is a dream display for any business owner wanting to get the best presentation of their menu possible.
