## WE'LL KEEP THE GLASSES CLEAN SO YOU CAN FOCUS ON YOUR CUSTOMERS

Perfect for ever bar setup, Washtech glasswashers keep your glasses sparkling clean. The entire range is renowned for fast and efficient glasswashing so you can continuously serve drinks with ease.

Built for Australian conditions and regulations since 1981, Washtech glasswashers deliver the reliability of heavy duty stainless steel construction and the most extensive service network in the region. Unrivalled in product durability and longevity – Washtech will not let you down.

### Why Washtech?

- A wide range of models available according to your requirements
- Polish-free solutions available
- Simple operation – intuitive controls with easy to read displays
- World class water consumption rates
- Hand made from heavy-duty stainless steel
- Style up with Rimex coloured stainless options

Talk to a Washtech dealer today about how the latest glasswashing solutions will benefit you and your customers.
