WE'LL KEEP THE DISHES CLEAN SO YOU CAN FOCUS ON YOUR CUSTOMERS

When space is at a premium and you need to ensure you can quickly and hygienically serve your customers that aromatic cup of coffee or wholesome meal – you need a dishwasher that is compact, water & energy efficient, and fast enough to keep up with your staff

Built for Australian conditions and regulations since 1981, Washtech dishwashers deliver the reliability of heavy duty stainless steel construction and the most extensive service network in the region. Unrivalled in product durability and longevity – Washtech will not let you down.

Why Washtech?

- Hand made from heavy-duty stainless steel
- World class water consumption rates
- Simple operation – intuitive controls with easy to read displays
- Range of models with various rack sizes to suit your space and demands
- Polish-free solutions available
- Style up with Rimex coloured stainless steel options
- Rapid rinse recovery even when installed on 15A/1P

Talk to a Washtech dealer today about how the latest dishwashing solutions will benefit you and your customers.
