## WE'LL KEEP THE DISHES CLEAN SO YOU CAN FOCUS ON YOUR CUSTOMERS

Designing the wash-up area in your restaurant may be one of the last considerations in kitchen-design. Washtech leads the market by offering a range of high efficiency dishwashers perfect for all restaurants, even those with the trickiest of installations.

Built for Australian conditions and regulations since 1981, Washtech dishwashers deliver the reliability of heavy duty stainless steel construction and the most extensive service network in the region. Unrivalled in product durability and longevity – Washtech will not let you down.

### Why Washtech?

- Hand made from heavy-duty stainless steel
- World class water consumption rates
- Simple operation across the range
- Multiple cycle options for various wash needs
- Versatile corner or in-line installations
- Heat recovery solutions available on select models – reducing operating costs through significant reductions in emissions & water heating costs

Talk to a Washtech dealer today about how the latest dishwashing solutions will benefit you and your customers.
